NORTHSIDE COMMUNITY NEWS ITEMS

BRANCH 008 NEWS ITEMS

We have Chase The Ace and it is climbing up there (26,695). We are co-sharing with Branch 19 - tickets are sold at both branches and remember, when you purchase a ticket you are supporting Veterans.

We need you and our membership to support us. We are trying our best to advance our Jackpot but do not need more expenses. Our tickets are sold all week and our draw is at Branch 008 on Fridays at 10 o'clock.

We have have music with Bob MacDonald and Friends from 7 to 11 and our Kitchen is open from 7:30 - 9:00 for Wings & Things, so come on in, give your support and socialize with new and old friends.

And, if you like to stay a little longer, we have Karaoke with Pepper & Pearl from 10 - 2:00.

BINGO is on Tuesday starting at 8 pm - 12 games at $100, 9 Specials plus a Toonie Game All monies raised from Bingo goes to support our Branch.

We have started a Wednesday Night Ladies Darts at 6:30 and it is open to any ladies who would like to come and play. Names are dawn from a hat every week and it only costs $5.00.

All monies go back to the players at the endo of the year.

CHASE THE ACE - The new Jackpot is now $26,95 on 19 cards.

MEN'S DARTS on Tuesday at 7 pm.

SATURDAY DANCE

The Sydney Mines & Pensioners Club will host a SATURDAY **DANCE** at 8:00 pm in their Clubrooms 6 Fraser Ave., Sydney Mines. The cost of the Dance is just $3.00.

Music will be provided by R & B Country (Ray Petrie & Bud Harold), the same band that played this Summer at Indian Beach to rave results.

Come out to our Club, 6 Fraser Avenue in Sydney Mines and have a great night every Saturday. Canteen Service is available.

FREE PUBLICITY for your event, fund raiser etc.

NEW DECOMPRESSION TABLE RELIEVES PAIN

Strong Chiropractic Inc. We've got your back!

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

NORTHSIDE COMMUNITY NEWS

POST APOLOGY

In this space last week we ran a story about the Branch 008 Ladies Auxiliary and their wonderful community achievement of 90 years service.

The story was well written and researched but I failed to do my due diligence on the origin of the story.

The story source was the Cape Breton Post newspaper and the staff writer who wrote the story, Jeremy Fraser, was not identified as the author.

As editor, I take full responsibility for this error and I want to publicly apologize to the Post and to Jeremy Fraser for my lack of professional courtesy.

The newspaper and the author have to be fully credited as the source of any given story and we did not attribute those as required.

SINCERELY -
Glen Gray, Editor

The movie and trivia will take place at the John J. Nugent Fire Hall in Sydney Mines, Friday, October 20th - 5:30 - 10:00

BY PAUL POWER

SHANIA TWAIN – "Now" - It's been 15 years since Shania Twain released an album, so naturally there's a lot of interest, speculation and the ultimate questions being asked-can she still cut it? Has she lost it? Given the fact that Shania is the best selling female artist in country music history just adds to that pressure. Most people know of her struggles early on in her life, her hard work and dedication to her craft and her stratospheric rise to the top of the once-stale and confining genre of country music. Her new brand of pop country opened doors for many artists who followed-and how can we ever forget those outfits!

A lot has been said, and written about how Shania's voice is noticeably deeper (she had dysphonia, or hoarseness-she said as a result of Lyme disease) and you can hear that on the first single which was released in June; however there's no mistaking that this is pure Shania; "Life's About To Get Good" could easily fit onto one of her earlier albums with no problem. The second single released, "Swingin' With My Eyes Closed", has even more of that recognizable Shania sound-it's a reggae meets country rock number that is very catchy. I would also say that "Who's Gonna Be Your Girl" is the best song in this collection. It's a mid-tempo number that has a haunting quality to it.

Shania gets super-contemporary on the track "Let's Kiss And Make Up", a song that's been described as 'tropical house', and it's easy to imagine one of today's twenty-something female superstars singing this one. It's not all roses here though; "You Can't Buy Love" has a 'little too close for comfort' sound like the Phil Collins songs "You Can't Hurry Love" and "Don't Lose My Number" and "Roll Me On The River" has a dramatic delivery but kind of falls short of the mark, and "We Got Something They Don't" is unfortunately a less than memorable song.

The album ends with a song that really shines a spotlight on Shania's newly smoky and almost gravelly voice-but on "Soldier" that works so well that I can't imagine her doing this number like this 15 years ago-it is a great song. To sum it all up, it's great to see that Shania Twain is back, but there's no way she can match the success she had 24 years ago. Then again can Wayne Gretzky play hockey like he used to? Will Paul McCartney ever co-write a song as powerful as "Let It Be"? Of course not. Out of the 16 songs here there are 4 that are great numbers which rank right up there with the best of the best Shania Twain has ever done-and maybe that's good enough.
