### NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

## Take 2

### PAUL POWER

I subscribe to the excellent Canadian magazine Rue Morgue ("Horror in Culture and Entertainment") and when they did a cover story on the latest in the 'Final Destination' franchise-'Final Destination Bloodlines' it caught my interest. It's the sixth movie in the line and it's natural to question how can they find a new take on the whole concept. Well, they did. I'm not going to give too much away here but just as one of the previous films caused me to never look at a logging truck on the road the same way again this one did just that for engagement rings. Oh my God; yes this film has some very gory parts; I am not a fan of slasher flicks-preferring more Gothic style horror movies, but when the gore enhances the story or plays an integral part in the tale I can go along with it. For me most of the cast here are unknowns to me, except for the final film appearance of horror

legend Tony Todd ('Candyman') who played William Bludworth (a coroner/mortician) in 5 of the films-including this one. His character was mysterious and had a secret dark knowledge of mortality and the curse linked to all the movies in the franchise. Even though he was visibly ill at the time and passed away a year later his presence was intense and memorable. It was a fitting memorial to an acting legend. As is often the case in the open fields of Horror movies the creators can often steep down to the lowest common denominator to save money-or just basically spray gold paint on a dog turd of a film. That is not the case here, this movie is worth watching for sure.

## Grading Day Party - Brogan's Fisheries & Bella's Canteen Huge Success

Hundreds of school aged children showed up at Brogan's Fisheries property in North Sydney to celebrate Grading Day and the start of Summer School vacation.

It is an ongoing yearly event and both Brogan's and Bella's should be commended for the effort they put in to recognize and honour graduating school aged children on the Northside.

When I showed up just after 10 AM, there was a huge crowd of children and parents on the grounds. Many games and refreshments were available and congratulations should go to the sponsors of this party for their community spirit.

**Knock, Knock, Who's There?**

As you travel around Cape Breton you'll find many picnic parks and Provincial parks to stop for a rest and to have lunch or a picnic.

Since these parks are in rural area there is no running water and they are all equipped with outhouses and they are well maintained and stocked.

On one memorable trip around the Cabot Trail we stopped at a Provincial park and had our meal and of course my father demanded that we visit the facilities as he wasn't planning to stop once he got on the road.

We headed down the path to the outhouses and when my brother and I came out, we decided to have one last look around the park before getting back in the car.

As we were returning on the path, we saw my father banging on the outhouse door and hollering, "Come on, we haven't got all day, get a move on."

Just then the door opened and an elderly lady came out and said to my father, "That's the rudest thing I ever experienced!!"

My father turned and saw us and his face was red. We ran back to the car and my father got in and roared away without saying anything. It wasn't until we were home later that my brother and I burst out laughing.

**WEEKLY SMILE****TAKING FIRST PLACE**

**TROPHY** - Cape Breton is known for its musical talent and many festivals and concerts abound in the Summer. Celtic Colours hosts artists from all over the world every Fall for 8 days.

This story is about a much smaller music festival in Iona. It is held each year to help foster the growth of new talent.

My uncle Dave and his friends had a quartet that they called "The Derry Aires" and sang celtic songs. I never thought of the name or its French connotations back then.

They all piled in the car on a Sunday afternoon and headed for Iona, well fortified with Capt. Morgan to help lubricate their throats.

When they arrived home that night, they had a huge trophy sitting in the back seat. They told everybody that they had taken the first prize trophy. Congratulations were handed out all around. It was only a few years later that I learned they never won anything. I asked him about it and he said, "Well the trophy was just sitting there on the table, so we took it!" Ask a silly question, get a silly answer.

## ST. ANDREW'S PRESBYTERIAN CHURCH DAILY VACATION BIBLE SCHOOL

With the great success of our Daily Vacation Bible School last year and all the volunteers, St. Andrew's Church is proud to have our Bible School return again this year. The kids had such a great time and it did all our hearts good to see their smiles and hear their laughter. With the help of Keith and Frances Burton along with Maureen Murphy and about 20 volunteers we are gearing up again to have this wonderful event.

Meeting are happening and volunteers are signing up to put this event off for all kids from the ages of 4 to 12 and we can't wait to have a fun but busy week. This year it will run from July 7th to July 11th and we will start at 9:00 a.m. with a light breakfast that will include cereal, fruit, toast and juice. Then at half way through the morning there will be a light snack of cookies, juice and fruit. At the end of each day they will receive a small snack to take with them as they leave for the day. Even though it's only for a week, there will be so much that the kids will do and learn.

Then on the last day (Friday) all parents, grandparents, family and friends are invited to attend a concert performed by the kids and a picnic outside (weather permitting). If mother nature does not permit on the last day, we will have our picnic inside in the hall. We will have hotdogs, pop, ice cream and a treat bag for every kid who attended to take home with them. And the best part of all of this wonderful Bible School is that any kid can attend and it's absolutely FREE, all you have to do is register. Last year's theme was "Fruits of the Spirit" and we only got half way through, so we will be continuing on with the other exciting half of that program. The kids will have puppet plays, crafts, music, recreation, and most of all they will make friendships and have lots of fun.

This Vacational Camp is open to ALL kids from ages 4 to 12 but unlike years past we have limited seats available. So if you are interested in sending your little ones to enjoy a summer Bible School for a week, you can call 902-544-1233 OR 902-565-0711 to reserve your seat. Seats are filling up as we speak, so call one of the numbers below if you have kids or grandkids that you think would love to attend to reserve their seat.
