Capers Making Great Strides In Defeating Cystic Fibrosis

Every year across Canada, friends, family and co-workers of people with cystic fibrosis lace up their walking shoes Sunday May 25th to participate in the Great Strides Walk, Cystic Fibrosis Canada's largest national fundraising event.

Registration for this family fun day and walk will start at 11:30 AM on Sunday, May 25th at the Sydney Curling Club, 619 George Street. There will be door prizes, face-painting, bubbles for the kids, prizes for the top pledging adult and youth and t-shirts for all pledge participants. After a walk around Wentworth Park, the walkers will enjoy refreshments and a BBQ. "We had 200 participants last year who raised over \$10,000 and we are hoping to top that this year" says Marlene McKenzie, President of Cystic Fibrosis Canada's Cape Breton Island Chapter.

Pledge forms can be obtained by calling 371-3580. There is also an online registration option (cysticfibrosis.ca) where you can sign up and invite your friends and relatives to donate to your fundraising efforts. If you cannot make walk but would like to help, Marlene McKenzie encourages you to support her by donating to her online pledge form. Marlene is the mother of two young people

living with cystic fibrosis.

Cystic fibrosis, which affects the lungs and the digestive system, is the most common, fatal, genetic disease affecting Canadian children and young adults. In the digestive tract, cystic fibrosis blocks the absorption of adequate nutrients from food. In the lungs, the effects of the disease are most devastating; and with time, respiratory problems become increasingly severe.

Those with CF must follow a demanding daily routine of physical therapy to keep their lungs free of congestion and infection.

Cystic Fibrosis Canada ensures that every dollar raised works for all persons with cystic fibrosis in every province and every community throughout the country including those from Cape Breton who must all

travel to the CF clinics in Halifax for their live-saving treatment and care, the children to the IWK and the adults to the QEII.

For more information, contact: Marlene McKenzie, President, Cystic Fibrosis Canada Cape Breton Island Chapter - (902-371-3580) marlenev888@hotmail.com

Sydney Mines Heritage Museum

The Sydney Mines Heritage Society is a non-for-profit organization dedicated to preserving the history and memories of the area as well as educating future generations about the richness of our town and lineage. The old Sydney Mines Train Station is home to the Sydney Mines Heritage Museum.

Experience our heritage in coal mining, steel making and the railway through our collection of historical artefacts and archives, photographs, pottery, and memorabilia. Take a guided tour of the museum for an animation of history via description of the artefacts and external historical walks.

Sydney Mines is one of eight important fossil sites in Nova Scotia, and is known internationally for excellent examples of plant fossils. The Cape Breton Fossil Discovery Centre showcases the rich deposits found in the Sydney Coalfields.

These Coalfields extend 21 miles along the Cape Breton coast dipping under the Atlantic Ocean. Shales and sandstone of the coal fields produced fossils from 300 million years ago in the Carboniferous Period. A walk along the shoreline near Sydney Mines uncovers many treasures from an era when Cape Breton Island was close to the equator.

The Centre is an excellent place for school children to learn about fossils and the history of our region. Bring the entire family for a day of fun and exploration! See 300-million-year-old plant fossils from the rich deposits of the Sydney coal field, enjoy stories from our guides and explore the coastline to find your own hidden treasure.

These are real school excuses sent from home
Dear school please accuse John from being absent on January 28, 29, 30, 31, 32, and also 33.

Please excuse Dianne from being absent yesterday. She was in bed with gramps.

I had to keep Billie home because she had to go Christmas shopping because I didn't know what size she wore.

Please excuse Johnny for being. It was his father's fault.

Mary could not come to school because she was bothered by very close veins.

Chris will not be in school cuz he has an acre in his side.

John was absent because he had 2 teeth taken off his face.

BY PAUL POWER

SEBASTIAN BACH - "Give 'Em Hell" Universal - Roll over Beethoven 'cause Bach is back! Sorry, I just had to write that. Of course Sebastian Bach is mostly known for his stint as the lead singer with the hard rock band Skid Row, from 1987 to 1996. He actually left the band in 1996 over creative differences and eventually put out his debut solo album in 1999. Sebastian's next step was decidedly un-rock and roll, and it proved just how good his vocal and acting skills really were; he

took to the Broadway stage in "Dr. Jekyll & Hyde", as well as "The Rocky Horror Picture Show" and "Jesus Christ Superstar". A huge number of roles on television soon followed-including a recurring part on "Trailer Park Boys". I actually got to see him shoot a scene for "TPB" at an abandoned gas station in Dartmouth some years ago-it was pretty cool. This is Sebastian's fifth solo album and he's got some well-known musicians in tow to help with the effort; Duff McKagan (Guns N' Roses), John 5 (Marilyn Manson/ David Lee Roth/Rob Zombie) and Steve Stevens (Billy Idol/Michael Jackson) all help propel this hard rock juggernaut over the edge, and for the most part the album is exactly what you'd expect-a straight on audio assault, with some very familiar undertones:

"Hell Inside My Head" and "All This is Sebastian's fifth solo album and he's got some well-known musicians in tow to help with the effort; Duff McKagan (Guns N' Roses), John 5 (Marilyn Manson/ David Lee Roth/Rob Zombie) and Steve Stevens (Billy Idol/Michael Jackson) all help propel this hard

rock juggernaut over the edge, and for the most part the album is exactly what you'd expect-a straight on audio assault, with some very familiar undertones: "Hell Inside My Head" and

"All My Friends Are Dead" sound like the illegitimate sonic offspring of Rob Zombie and Alice Cooper. The song "Temptation" has a slight 'end of Grunge' sound to it but still manages to hit the hard rock slab in a mighty fashion. The tracks "Gun To A Knife Fight" and "Taking Back Tomorrow" shadow early Motley Crue stuff, but the absolute biggest surprise comes when Sebastian and band do the cover song "Rock N Roll Is A Vicious Game", and it sounds like April Wine jamming with Matt Minglewood. It is an awesome track.

Of course, given Sebastian's amazing vocal range there's a fair amount of screaming on the album, but it's perfectly balanced with his more conventional-sounding vocals, making for an album that's bursting with great songs.
