NEW DECOMPRESSION TABLE RELIEVES PAIN

Darren Strong from Strong Chiropractic, announces a new, sophisticated computerized decompression table that allows the spine to be gently stretched and relaxed for spinal decompression therapy.

The pattern of alternating pulling and relaxing creates vacuum-like pressure which allows disc material that was herniated or protruded to be pulled back in the disc over time.

Patients will notice a reduction of their pain during these treatment sessions. Stop in today and ask about the new table and how you can benefit.

I'M BOUND FOR GLORY

This story comes from Glace Bay where Joanie, a young girl in a family of 12, yearned for Olympic figure skating glory. The only problem was, she had no skates.

One day, as if in answer to her prayers, she found an old pair of skates in the roadside drain. She ran home to show the treasure to her family. Visions of stardom danced in Joanie's dreams.

The next day Joanie put on her new skates and headed out. She moved gracefully to the left... the fact that she had two left skates helped a lot. She would twirl up and down the streets of #2 like a Russian ballerina. As long as she didn't try to turn right, everything was fine.

However, one day, the blade broke on the old skates and Joanie headed home, dreams shattered, clip clapping up the road like an unshod horse. But fate was kind and that Christmas Joanie got her first pair of new skates. Joanie never made it to the Olympics but at least she could now turn both ways.

Now, each year as Christmas approaches, Joanie gathers up old skates in the neighbourhood and gives them away to less fortunate kids.

CELTIC SERENADE - 43 YEARS ON RADIO

It's Sunday night and Donnie Campbell turns on the mike for another "Celtic Serenade" show. He has been doing that for the last 43 years but after December 25th, Donnie will turn the mike off after a remarkable career in broadcasting.

Donnie started on CJCB radio in 1974 and his show became a staple in Cape Breton and the Maritimes and has introduced hundreds of Cape Breton and Celtic artists over the years.

I have personally seen Donnie over the years at many local venues and concerts and he has donated his time and talents to many worthwhile Cape Breton causes and fund raisers.

Donnie will certainly be missed and we wish him well after a long broadcasting career. North Sydney poet, Ron Gillis, has written a poem to commemorate Donnie and his contribution to the Cape Breton music scene.

- CEILIDH -

On The Celtic Side of Causeway, music penetrates,

Along the way gather, Carl fiddle well in tow,
Surrounded by crowd of Capers,

BY PAUL POWER

JIMMY BUFFETT - "Tis The SeaSon" - Over the next 2 weeks I'm going to write about a couple of the many albums that are released just in time for the Christmas season. I have written in the past that most of the albums are just a quick cash-grab aimed at those who ran out of ideas on what to give someone as a Christmas gift-sad but true.

With that in mind I try to find albums that stand out-so let's start the festivities off with this gentleman; Jimmy Buffett is someone who likes to have fun

with his music, and even though he's done some amazing and touching songs over the years, he knows when it's time to live a little-laugh a little. His first Christmas album was released 20 years ago so it was high-time (or high tide) to do a new one. The merriment starts here with the album's title; Jimmy lives for the sea so the play on words was apropos.

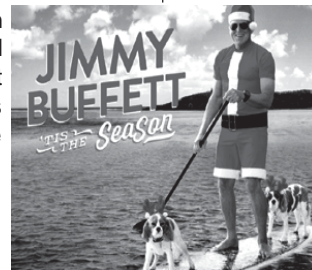

The songs are mostly covers of Christmas standards-but a few have that Jimmy Buffett twist of lime to them. We get a Parrothead (as Buffett fans are called) version of "Twelve Days of Christmas," where Jimmy's celebrating "eight vintage 8-tracks, five cheeseburgers, 2 tattoos and a purple parrot in a pear tree". That's just for starters. "Driving The Pig" is an original composition that spends the holidays in the

Caribbean, and it has a great vibe, complete with steel drums.

To be honest and all kidding aside Jimmy really shines on his jazzy version of "White Christmas", and his take on "Jingle Bell Rock" coasts along like a toboggan and makes you want to rock from side to side in unison.

"Winter Wonderland",

"Rudolph The Red Nosed Reindeer" and "Baby It's Cold Outside" are par for the course, and even though Jimmy's take on these familiar tunes doesn't

stray far from the original versions he still manages to make them sound a bit fresher. Silly fun drops by again on "All I Want For Christmas Is My Two Front Teeth" and "Santa Stole Thanksgiving" is a rousing sing-along that's one of the best new festive songs I've heard in a long time.

It's also a nice treat to hear Jimmy cover Paul McCartney's classic song "A Wonderful Christmas" and give it a bit of a reggae vibe-instead of just doing it same old-same old. Of course a Hawaiian Christmas shows up in the form of "Mele Kalikimaka", which even if you don't recognize the name the melody and words will be familiar to most. You don't have to be a Parrothead to like this album-just grab an oar and paddle away-you'll like the trip.
